# RAMHAN ISLAND – THE ONE & GRACE (4BR)

📍 LOCATION: RAMHAN ISLAND

📅 COMPLETED: 2026

Ramhan Island will be a brand-new purpose-built island with a huge master development that will sit next to Al Jubail Island and will have sand bars to create a gorgeous waterfront lifestyle. The master community will include hotels, serviced residences and villas, and there will be an international marina with state-of-the-art shopping and fine dining experiences. The first phase of the development will consist of 300 villas with 3-7-bedrooms. All villas will have their own private beach access, situated just 70-100m from the water. Villas will be part of 4 residential communities within the first phase called: Marina Island Villas, Breeze Island Villas, Cove Island Villas and Views Island Villas, and will come in 8 different design styles.

+7 969 179 97 79

GRACE villas are ultra-contemporary and compact, with open-plan living areas on the ground floor. The units come with smaller balconies so residents can enjoy the views.

THE ONE villas are more modern and nature inspired and consists of just one ground floor level with a semi-closed kitchen. The exterior design also features wooden external slats.

Villas will come in either a light or dark interior design scheme. Light schemes will include grey/white light marble for the general flooring, powder rooms and bathrooms, and cream/light engineered stone for the kitchens. Dark interior schemes will consist of dark grey/slate coloured marble for the general flooring, powder rooms and bathrooms, and there will be sand coloured engineered stone in the kitchens.
