

LUNARIA

al barari

My Vision is a Dream

My dream was to create a community that thrives and flourishes on love, harmony, social responsibility, human dignity, and decency.

A place deeply rooted in history, culture, dance, and music.

My life is a story of passion, I am a giver by nature.

I wanted to give my fellow humans the ultimate living experience and quality of life.

In an oasis of magnificent scented gardens, shimmering lakes, lily-filled ponds and streams.

A celebration of nature in its ultimate form.

Living in homes of unrivalled and unchallenged quality, a space and place for the heart and soul.

What we give you today is indeed very rare, and the result of years of hard work, sweat, tears, pain, and joy but in the end we prevailed.

What we created here is a celebration of the human spirit, determination and fulfillment of a dream.

What we have achieved came from the heart of a passionate, perfectionist and loving family. My family. It was our dream and love story, now it's a reality and it is yours for you to enjoy, love and cherish.

It is Al Barari, our passion for life.
